Dear Neighbor,

We are writing on behalf of The Friends of the Wellesley Council On Aging (FWCOA), a newly formed 501(c)(3) non-profit organization. Our staff of unpaid and dedicated volunteers focuses on the mission *to raise funds for the Wellesley Council on Aging to help foster a more vibrant aging experience for Wellesley seniors.*

Why Support the FWCOA?

More than 5,400 Wellesley residents, nearly one-fifth of our total population, are 60 years of age and older. Over the next few years, this number will significantly rise. Many of our residents look to the Council on Aging for local opportunities to pursue active lifestyles, lifelong learning, meaningful social connections, and to receive critical assistance in times of need. Access to such programs and services can make the difference between a vital living experience and one that is markedly diminished.

How can you help?

We invite you to contribute to our first Annual Appeal. No amount is too large or too small. With your support, the FWCOA can provide the Wellesley Council on Aging the supplemental resources needed to support current and future initiatives and services in adequate facilities. To learn more about our organization or the programs offered through the Wellesley Council on Aging, please visit us at www.wellesleyfriendscoa.com.

Sincerely,

The Friends of the Wellesley Council on Aging
